RE: Greenlands Homeowner's Association

Dear Mr. Carter:

I am writing this letter on behalf of the Board of Directors and the Advisory Committee for the Greenlands community located behind Tabb Library on Magruder Boulevard.

The Greenlands Homeowners Association would like to request that the Board of Supervisors consider including Greenlands in the additional fine for speeding ordinance now in place for several communities in the area. The streets that appear to have the most problem with speeding are Blevins Run, Tristen Drive, Hilda Hollow and Jonathans Junction.

Could you please advise as to whether there is a further step that can be made to insure that Greenlands is considered for this program? Thank you for your consideration on this matter. If you have questions or comments I may be reached at (757) 873-1185 or by email at asowers@unitedproperty.org.

Cordially,
